

ODOR NEUTRALIZER (ON)

Room Air Freshener

ACE ODOR NEUTRALIZER (ON) is a simple, safe and highly effective product designed to quickly neutralize the odor producing particles (positive ions) emitted by unpleasant odors. **ACE ODOR NEUTRALIZER (ON)** is a non-hazardous, environmentally friendly product supplied in an easy-to-use metal can.

ACE ODOR NEUTRALIZER (ON) is manufactured in 3 sizes and will last for up to 30 days based on following usage: On JR - 3-5 tons, ON1 - 10-15 tons; ON8 - 75-100 tons. If applied over-concentrated in too small an enclosed area, individuals sensitive to strong fragrances, may suffer headaches. If used in a small area such as a closet, simply punch holes in the can lid or only half open the can lid. Alternatively, place a small amount in a small metal dish...never place in a plastic cup or tray.

ACE ODOR NEUTRALIZER (ON) is extremely safe to use and to handle. In fact, the chemical ingredient used in the manufacture of **ODOR NEUTRALIZER (ON)** is a key ingredient in the manufacture of certain foodstuffs.

FEATURES & BENEFITS

- Controls odors commonly associated with air conditioning and heating systems - effectively "neutralizes" cigarette/cigar smoke, musty odors caused by mold/mildew, motor oil and gasoline fumes.
- Ideal product for use in fire or water restoration projects - use in schools, hotels, offices, homes, stores, etc.

DIRECTIONS for USE: To use, simply remove the lid and place in the A/C system air return or as close to the odor source as possible.

SAFETY: Contains Methyl Salicylate. Wash hands after use. Do not ingest.

PHYSICAL PROPERTIES

APPEARANCE	Granules
COLOR	Dark Brown
pH	N/A
SPECIFIC GRAVITY	NA
ODOR	Wintergreen
PACKAGING	12x1#-can/case 12x2#-can/case 4x8#-can/case
